RE: LAFCO Meeting Scheduled for February 25, 2008

Mr. McElfresh:

I am writing to request a continuance of the LAFCO proceedings regarding dissolution of the Pacific Shores California Water District, currently scheduled for February 25, 2008.

Our office was recently retained as legal counsel for the Water District. At the moment, our firm is working to catch up with the District's affairs, including its potential dissolution.

At this time, we are requesting a continuance of the dissolution proceedings scheduled for February 25, so that the District may continue its discussions with Del Norte County officials. We have already conferred with Del Norte County Counsel regarding this request. It is our sincere hope that our client and the County will be able to resolve their issues without involving LAFCO.

I greatly appreciate your courtesy and attention to this matter. If you have any questions, please feel free to call our office at the number listed above, or email me directly at istevens@thesmithfirm.com. I look forward to hearing from you soon.

Warmest regards,

Isaac Stevens
Attorney for PSCWD
